

Svalemåla Stugby

For this country's best pike fishing in protected waters come to the Swedish archipelago closest to the continent in Blekinge Province. Live in comfort in modern cabins and fish from safe boats with new (Tohatsu 9,8 hp), 4-stroke motors. It's a four-hour drive from Germany and three from Denmark. All guests get current fish info with tips on the best sites depending on the weather.

Season

We are open March - October. The best fishing for pike is September - November and March - May.

Species & Records

Here you can fish for pike, perch, sea trout and herring. Many pikes exceed 100 cm.

Fishing Service

We have eight plastic 4.10 – 4.40 m boats with 10 hp 4-stroke motors (Tohatsu), and four Linder 445 Sportsman Basic with 15 hp Honda motor and a Minn-Kota in the bow.

All our boats have motors, anchors, life jackets, oars and sea charts with the best fishingspots marked.

Location & Transfer

170 km from Malmö Öresund Bridge//170 km from the Trelleborg Ferry Terminal//50 km from the Karlskrona Ferry Terminal//We're located in the middle of the Blekinge between Ronneby and Karlhamn in the Järnavik Archipelago.

Equipment & tactics

In Svalemåla most everyone fishes pike with jerk bait or wobbler, though fly-fishing is possible. During the winter, spring and autumn seasons the pikes are found in the coves, while from June-August they migrate to deeper waters depending on the temperature. All guests use C&R for pike.

Regulations

Pike: min 40 cm / max 75 cm; max three/day, but most everyone uses C&R. Salmon and brown trout: min 40 cm; off-limits Sept 15 - December 31.

Other activities

We have bicycles and kayaks. There are hiking trails of varying length and difficulty and the Bräkneleden Cycling Trail passes the Svalemåla Cabin Village.

Languages

At Svalemåla Sports Fishing & Conference we speak Swedish and English and understand German and Danish.

Additional info

We welcome all anglers to the beautiful coast of Blekinge and Svalemåla.

Accommodation

All six 6-person cabins are about 45 sq.m. They have a loft at both ends and six beds – a double in the ground-floor bedroom and a double on each loft. The kitchen has refrigerator/freezer, stove/oven and microwave, dishwasher, coffee maker and utensils for six. The living room has TV, kitchen furniture and a corner sofa. The four 4-person cabins are around 35 sq.m. in size. This smaller cabin has one loft with a double bed and the ground-floor bedroom has a bunk-bed where the lower bed is extra large. The living room has a combi-kitchen with a sink, oven and refrigerator/freezer, coffee maker, kitchen furniture, TV and utensils for four. There are bathrooms with WC/shower in all cabins, as well as a parking place and a terrace with outdoor furniture and a grill. We can also rent out cabins close to the sea, but outside our cabin village.
