Brovillan

A warm welcome to Brovillan on the famous pikeperch lake Stora Nätaren. We provide you with top-class living only five metres from the lake in which we have access to private water. This lake is known for its excellent fishing with large pikeperch and lots of pike. You can also fish in private tarns with large perch and strong populations of roach. You'll live well at Brovillan with private toilet and shower. It's also possible to hire the whole house for larger groups.
