

## Fishing package, 7 nights

A glorious week with lots of pike, pikeperch and perch fishing! You'll stay in a cosy cabin with WC and bath, as well as access to your own boat. The first evening you'll get an introduction from our local fishing guide and during the week you can enjoy our wood-fired sauna. Welcome to an exciting, environmentally focused fishing experience. Our well-trained fishing guide knows the local area well and is very safety oriented. We recommend the Catch and Release philosophy and our catch, if unhurt, is always released after being photographed. Fishing licence is included.

### Included in package:

Included in package // Staying in a self-catering cabin, experienced fishing guide (1 evening), boat rental, fish finder, sea charts, safety equipment, fishing licence, sauna evening. It is possible to hire or buy fishing equipment from us. The price is calculated at a minimum of two persons in the same cabin.

### Price fr. 3500 SEK/pers

Supplements // Extra boat – 350 SEK/day. Single room – 1740 SEK/week. TV in cabin – 50 SEK/day. Final cleaning – 350 SEK. Fishing licence for Lake Mogtjärn – 100 SEK/day. Extra fishing guide – 350 SEK/hour.

### Camping 45

Camping 45 offers excellent fishing opportunities in an environmental spirit. Our home is northern Värmland province where pike, pikeperch and perch are plentiful. Our peaceful forest lakes and gently flowing alpine rivers let you fish from a boat or the shore as you wish. We have boats in chosen lakes near the facility and wintertime the thick ice offers glorious days for ice-fishing. In addition to fishing opportunities, we have exciting activities for the whole family.
