

Half-day fishing tour

A half-day is counted as up to 4.5 hours. You choose whether to book a morning or an afternoon tour. That way you can fish before going to work or to pop out for some après work fishing. You can also take the family, some friends or some of the people you work with out for some pleasant hours in the Stockholm archipelago.

Included in package:

Fishing equipment, life jackets, wind and weather clothing and waterproof coveralls are all included in our guided tours, always supplies for coffee breaks. It is possible to book a full meal as a supplement. The half-day price for two persons is 4 000 SEK/boat including VAT. The price for additional persons is 900 SEK/person.

Price fr. 1450 SEK/pers

Catch & Relax

Catch & Relax is one of Stockholm's foremost activity companies. Its focus is to provide custom designed, entertaining and exciting activities in the archipelago for both large and small groups with special wishes. Our aim is to enable our guests to experience the Stockholm islands close-up and somewhat above the normal. Fishing is our core activity and today we are one of Sweden's largest sport fishing companies. In addition we can offer boat transport and guided boat tours.
