

Full day fishing tour

A full day is usually 8 hours, perfect if you want to be out fishing all day in a lovely setting and on an excellent boat specifically adapted for sport fishing. One tour is just right for dedicated sport anglers, company groups and other parties. Fishing equipment, life jackets, wind and weather clothing and waterproof coveralls are all included in our guided tours and always supplies for coffee breaks. It's even possible to order lunch and dinner as supplement.

Included in package:

Catch & Relax

Catch & Relax is one of Stockholm's foremost activity companies. Its focus is to provide custom designed, entertaining and exciting activities in the archipelago for both large and small groups with special wishes. Our aim is to enable our guests to experience the Stockholm islands close-up and somewhat above the normal. Fishing is our core activity and today we are one of Sweden's largest sport fishing companies. In addition we can offer boat transport and guided boat tours.
