Hedesunda Camping

Sports fishing attains new heights in the river Nedre Dalälven area, there where the water flows through handsome lakes and many rapids. Hedesunda Camping is found in the middle of this lovely, unspoilt nature right on the beautiful Ön Island. You can fish from the shore or explore the waters in one of our fully equipped fishing boats. We can give you information about the best fishing sites and techniques. Rent one of our comfortable cabins or bring your own caravan.
